- Active meters
- Total Service lines

RECORDS!!

Did you do the work?

Did you do the work?

If you do not have the records then you have no proof the work was done!!!

Why do I Have to Keep Records?

- **§192.603 General provisions. [K.A.R. 82-11-4 (w) and (x)]**

(b) Each operator shall establish a written operating and maintenance plan meeting the requirements of this part **and keep records necessary to administer the plan.**
